Twenty-five-year-old Kat has never felt at home anywhere, especially not in crumbling Shelley House. Seventy-seven-year-old Dorothy has lived here for longer than anyone else. When their building faces demolition, sworn enemies Kat and Dorothy become unlikely allies in their quest to save their historic home; and even less likely detectives when they suspect that foul play is coming from within Shelley House.

The new heartwarming novel with a cosy mystery from the author of "*The Last Library*".
