Martin and Ben were friends for decades before the events at Ben's 40th birthday party tore them apart. So when Martin receives a surprise invitation back into the inner sanctum of the dazzling Fitzmaurice family after seven years of silence, he can't resist the chance to get his revenge. With everyone watching, the stage is set for a reckoning.

Sachbuch Biografie, englisch

In November 1999, Joan Didion began seeing a psychiatrist because, as she wrote to a friend, her family had had 'a rough few years.' She described the sessions in a journal she created for her husband, John Gregory Dunne. For several months, Didion recorded conversations with the psychiatrist in meticulous detail. It is an intimate account that reveals sides of her that were unknown, but the voice is unmistakably hers

Just twenty-one years old, Sylviane arrives in Marseille to start a new life, and charms her way into a job as a waitress in a run-down bistrot. Here, under the guidance of eccentric Guy Lacarriere she discovers the joy of cooking, a secret love affair and, for the very first time, the true magic of chocolate.

**The long-awaited prequel to "Chocolat" begins six years before Vianne opens her scandalous chocolaterie in the small French village of Lansquenet.**
