Krimi / Thriller, englisch

The pageturning thriller from the bestselling author of THE SILENT PATIENT. One spring morning, reclusive ex-movie star Lana Farrar invites a group of her closest friends for a weekend away, on her small private island, just off the coast of Mykonos. And in forty-eight hours, one of them will be dead. You may think you know this story. Think again.

An original and utterly compelling psychological thriller, with a voice all of its own.

A debilitating new virus is sweeping across the globe. As panic sets in and flights are grounded, a group of young volunteers are sealed inside a London medical unit for a controlled vaccine trial, and the future of humanity rests on their shoulders. When the virus mutates, the streets outside fall silent. Food begins to run out, and they are faced with a choice: stay or run.

From the Costa Award-winning, Women's Prize-shortlisted author of 'Unsettled Ground'.
