## Robert Galbraith - Troubled Blood

Private Detective Cormoran Strike is visiting his family in Cornwall when he is approached by a woman asking for help finding her mother, Margot Bamborough - who went missing in mysterious circumstances in 1974.

Strike has never tackled a cold case before. But despite the slim chance of success, he is intrigued and takes it on; adding to the long list of cases that he and his partner in the agency, Robin Ellacott, are currently working on.

**The next thrilling instalment in the highly acclaimed, international bestselling series.**
