## Hannah Grace - Holiday Ever After

All Clara Davenport has ever wanted to do is climb the ladder at her family's toy business. Everything was going according to plan, until the company was accused of stealing a doll design from an independent toy maker, creating a flurry of bad publicity. Jack Kelly would be happy to never hear the name 'Davenport' again - the company that once falsely claimed they wanted to sign him to their small business program has copied his design. So when Clara prances into town hoping to convince Fraser Falls that her company is not the enemy, Jack is determined not to be fooled by a Davenport twice ...
