The World As It Is - Inside the Obama White House

The World As It Is tells the full story of what it means to work alongside a radical leader; of how idealism can confront reality and survive; of how the White House really functions; and of what it is to have a partnership, and ultimately a friendship, with a historic president.

Rhodes puts us in the room at the most tense and poignant moments in recent history: starting every morning with Obama in the Daily Briefing; waiting out the bin Laden raid in the Situation Room; reaching a nuclear agreement with Iran; leading secret negotiations with the Cuban government; confronting the resurgence of nationalism that led to the election of Donald Trump.
